Dear Class of '72:

Two decades have passed since our graduation from James Monroe High School. Recently, on the night of August 15, 1992, we had the opportunity to get together once again. For many of us, we just picked-up where we left off 20 years ago. We hope that our class reunion not only revived fond memories of the past, but also created an atmosphere to create many more new ones for the future.

More than 600 classmates and guests came together to celebrate at the Marriott Warner Center Hotel in Woodland Hills. Everyone looked SIMPLY FABULOUS. Not bad for a bunch of enthusiastic 38 year olds! Thanks to all of you for supporting our class' special evening and hopefully you were left with a sense of renewed friendships and Alphasian spirit that will keep you looking forward to our next reunion.

Until we meet again, wishing you good health and happiness.
