HERE IT IS!!! AT LAST, THE BEST YET!

BANQUET....cont

Yes folk, here it is... the last issue of the 1972 volume of the Leak. Yes we know there hasn't been too many of these so called scandal sheets around this year... Yes we know you would rather keep it that way, ... Yes we know you tend to get violently ill everytime you see one of these (especially those people in any type of journalism class), and yes we know that this "paper" serves no useful purpose. So due to popular demand (namely my popular demand) we bring you one more. If everyone is nice to me, I may never put another one out again in my lifetime. Anyway, the time has come to proceed with some special features for this the last issue of the infamous "LEAK"

"TONIGHT IS THE KNIGHT FOR THE KNIGHTS AND OLD LADIES BANQUET.."

Featuring a menu of who knows what, and great entertainment provided by anyone who happens to walk in at the wrong time, the annual K and L Banquet promises to be...ah...hmm... (Brent, just how good is this going to be anyway?) well... all right. (I hope!!).

This wonderful end to a delightful year (listen to that bull) has been planned and executed by that great master of ceremonies... Brent Hunter!!! (That's strange, no applause??) Anyway there have been rumors that his gorgous sister, what's her name, was supposed to have helped him. A little birdie has also informed me that a certain Ms. Lunine provided a bit of assistnace in getting the people to pay, and in procuring (boy is she ever good at that) entertainment.

According to various sources, there have been many questions brought up in the last few weeks concerning this mysterious banquet. From the Presidents.... "What's going on?" From the Knights Vice President... "Who knows?". From the Ladies Vice President... "Who cares?". From Eddy Bilow... "Who is going to say Grace?" From Mike, Mark, Terry, etc.... "What is the name of the beer?" From Miguel... "Can Lori and I sit together?" From David Silver... "Can my hand and I sit together?" From Claudio... "Is Lunine going to dance, snort, snort?" and from David Burlingham... "How much money do I have to get out?"

AS for the entertainment at this social event of the decade, there was a threat that the infamous (JKC) would return to haunt us, but thanks to a well placed knife point, and a few unconcealed threats, they appear to have declined the offer to appear. Pray they don't change thier minds... Otherwise Terri has promised us a good time. Interperate that as you will...

TIME HAS RUN OUT FOR ALL OLD LADIES AS REPLACEMENTS HAVE BEEN CHOSEN!

"At last". "Finally". "Not soon enough". "Let's all hope this crop is better than the last"

These comments were expressed as the new contingent of Ladies were announced late a couple of weeks ago. Just who said what will remain secret for the protection of the speakers.

People knowledgable in this sort of thing state that this group of broads...ah... Ladies may turn out to be fairly good.

Reports coming in from all parts of the campus report that there are some pretty good looking foxes running around with flowers on thier chests (How come the Knights didn't help pin on the corsages this year?). Some of the more well known students recruited to take the place of this years bunch of bodies are: Bouncy Barb Sampson, Goofy Gayle Zimmerman, Joyful Joanne Schnee, and Boy Hungry Bev Smith.

A little later in the month a final decision was reached on just who to let into Knights for next year. This years group wanted to leave a sadistic note to have the new ladies remember them by, and picked a real winner group. Worse than this year, and that's pretty bad. Some of the more infamous people admatted this year were: Sex Fiend Steve Decea, Super Swimmer Sheldon McKowan, Vicious Vic Marino, and Straight Steve Gelman. All I can say is good luck ladies, may heaven have mercy on you souls....

Say the words that are certain to make you mine" said the shy young knight to his ladie just as her father happened to come out on the porch...."I'm pregnant" she replied.

Having spent several weeks studying a novel he considered to be great, Mr. Friedman was disturbed by the fact that many of his students seemed to be unable to relate to the book. In exasperation he cried out..."Haven't any of you ever had a vicarious experience with a novel?"

"No." answered a Ladies gentle voice from one side of the room, "but I once had a novel experiance with a Vicar."

The best part of it is paying anywhere from 20-30 dollars to wear a monkey suit for one evening s o you can sit around and watch everybody try and dance, not wanting to try yourself for fear of making a fool out of yourself. More fun is had when you go out to dinner, and pay a hugh bill just to eat some food with a fancy name. This is not to mention a small bill for a few smelly flowers to pin on the girl who has pinned you down to go in the first place.

"What happened to John & Judy?"

Now we all know that there is no other good use for all of the money you are shelling out. Why save it for college, why use it to fix your car, why use it to buy a car, after all this is a once in a lifetime deal, and boy what a deal you get!!!!

That's about enough to get you started. Now you can recall just what a great year it has been. I want to thank everybody in Knights and Ladies for making it that way. I love you all!!!
